## FOREWORD

Every year Micro, Small & Medium Enterprises Development Institute, Cuttack under the Ministry of Micro, Small & Medium Enterprises, Government of India has been undertaking the Industrial Potentiality Survey for the districts in the state of Odisha and brings out the Survey Report as per the guidelines issued by the office of Development Commissioner (MSME), Ministry of MSME, Government of India, New Delhi. Under its Annual Action Plan 2017-18, all the districts of Odisha have been taken up for the survey. This Industrial Potentiality Survey Report of **Nuapada** district covers various parameters like socio-economic indicators, present industrial structure of the district, and availability of industrial clusters, problems and prospects in the district for industrial development with special emphasis on scope for setting up of potential MSMEs.

The report provides useful information and a detailed idea of the industrial potentialities of the district. I hope this Industrial Potentiality Survey Report would be an effective tool to the existing and prospective entrepreneurs, financial institutions and promotional agencies while planning for development of MSME sector in the district.

I like to place on record my appreciation for Shri Shibananda Nayak, AD(EI) of this Institute for his concerted efforts to prepare this report for the benefit of entrepreneurs and professionals in the state.

Cuttack,  
Dated -21st Nov, 2017

  
(Dr. S. K. Sahoo)  
Dy. Director I/c

# **Brief Industrial Profile of Nuapada District**

## **1. General Characteristics of the District**

The history of Nuapada is co-related to the history of Ex-Zamindary Khariar. Originally, it was an estate comprising three regions viz; 1) Kholgarh, presently known as Tanwat, Geogarh, presently known as Sunabeda plateau and Kumunagarh, presently known as Komna with its headquarter at Komna. After the defeat of the Marathas in the IIIrd Angle Maratha War in 1818, ex-Khariar estate came under the British Rule and the Headquarters was shifted to Khariar. In 1862, it was tagged to Central Province and in 1864 it was declared as a Zamindary. After the formation of Orissa Province on 01-04-1936, the entire Oriya speaking race of Khariar Zamindary which was then a part of Raipur district under Chattisgarh State, was annexed to Orissa on transfer as a Sub-Division under Sambalpur district. On 01-04-1993 it was declared as a separate district and started functioning with headquarters at Nuapada. The district of Nuapada came into existence with effect from 1<sup>st</sup> April, 1993 by carving out of the Nuapada Sub-Division of undivided Kalahandi district.

### **1.1 Location & Geographical Area.**

Nuapada district occupies the southwestern part of Orissa and is situated between 20 degree 20 North and 21 degree 5 Latitude and 82 degree 20 East and 83.47 degree 47 East Longitude. It is surrounded in the North and West by Chattisgarh by Chattisgarh and Dharmagarh sub-division of Kalahandi district in the South and by Bargarh and Bolangir districts in the East. It falls in the western undulated zone of Orissa and has two distinct physiographic regions such as plain land and hilly tracts. The district covers a geographical area of 3852 sq.kms. i.e. 48.02 % of the total land area of the state.

### **1.2 Topography**

The district has two distinct physiographic regions, the plain lands and the hilly tracts. The hilly tracks are mostly located in the western part and the plain regions cover the other part of Nuapada district.

### 1.3 Availability of Minerals

The important economic mineral resources of Nuapada district include limestone, Graphite, Manganese, Gemstone, Dimension stone and Clay. Commercial grade crystalline limestone and bedded limestone deposits occur in the district. Crystalline limestone deposits of Khariar valley occur as lensoid bodies and bands. Important crystalline limestone occurrences are Chandpala, Sagundunguri, Deobahal, Rohanpadar, Garramura, etc. A reserve of 11.245 million tonnes of cement grade limestone has been estimated from above deposits. Bedded limestone deposits occur in the western part of Sinapalli block around Talkote, Sindursil, Koradunguri, Chitarama, Patialpada etc. Graphite is one of the abundant mineral resource of the district marked around Biwanathpur, Singari, Bijaygarh, Pair, Komna, Barhikomna, Kalimati, Kanditera, Sukulimuri, Salingpara, Tikapada, Katapali, Ganramer, Gania, Salebhata, Debri, Simelpali, Larki, Pandikimal, Surjumunda, Dhumkhenan, Goendimal, Bamhanpadar, Mahuabhata, Jolanketa, Kendubhata, Ghalndia, Sagurujibhata, Chormurda, Dungaripati, Gandapani, kholapala., Larabanji, Dargaon and Gandabahal having a total reserve of 0.51 million tonne. The graphites are low to medium grained flaky, middle, lumping, nodular and amorphous variety. The F.C. content of the graphite varies from 8.71% to 80.64%. Mineralisation of low grade manganese ore are reported around Tikrpada, Lodra, Luharpali, Gandamer, Singari, Chaludia, Talkota, Ghatmal, Patiyalpara, Maraguda. Mineralization occurs as veins, stringer, solution cavities and sporadic in nature. The manganese is loose friable in nature, earthy, grey and dark in colour. The associated rock types are khondalite, calc-gneiss, granate gneiss and laterite. The manganese content upto 24% has been reported from the above occurrences. Gemstone: The gembelts identified in this district are Sardhapur-Patialpada, Katamal-Amera and Damjhor-Budhapada-Mantritarai. The varieties of gemstones of precious and semi-precious nature recorded in the district include sapphire (blue corundum), garnet, iolite etc. In Nuapada district sapphire(blue corundum) occurs in association with syenite pegmatite at fifteen locations around Amera, Badimura, Karlakot, Katamal, Sargimura . Sapphire located at Amera(SSW of Badimura) occurs at the contact of EGMB and Bastar Craton in association with syenite pegmatite. Sapphire recovered from this

area are very small, platy in nature having maximum thickness of 3m (maximum weight one carat) due to their release along basal parting plane. These sapphires are transparent to semi-transparent, light blue to cornflower blue in colour with brilliant luster (vitreous to adamantine). Rare pieces of greenish blue and colourless sapphires have been accorded from these occurrences. Besides these blue corundum occurrences are located around Badimura, Karlakot, Katamal, Sargimura. Directorate of Geology has taken up diamond exploration in Dharambandha area of Nuapada district since 1990. Rigorous efforts in subsequent years in some of the selected areas have resulted in the discovery of multiple pipes of diamondiferous olivine lamproite in the Kalmidadar area near Dharambandha in Nuapada district. Over 100 pieces of diamonds have been recovered from the area during the course of exploration. The decorative/ dimension stone occurring in the district are variants of granite (Pink and grey). These rocks have been exposed around Dharambandha, Bhaira, Dalipathara, Jamarkhol, Lanjmar, Kadapali, Kanwal, Lodra, Bhainsmadi etc. with a resource of 22,4,00,000 cu.m. These granites have deleterious minerals like mica and garnets. These rocks are very hard, fresh, and fine to medium grained, pink to gray in colour. The joint spacings are marked from 0.40m to 2m.

#### **1.4 FOREST**

Nuapada district has got 1849.69 sq. kms of forest area out of a total geographical area of 3852 sq. kms. which constitutes 48.00%. The indigenous species generally found are Sal, Bamboo, Teak and other varieties. The minor forest produce species are Mahua, Char, Kendu, Myrobolan, Amla etc.

#### **1.5 Administrative set up**

The district is divided into one sub-division, 5 tahasils and 5 CD blocks. There are 2 NACs and 2 towns in the district. The details about the administrative set-up is given below viz;

1. District Headquarters – Nuapada
2. Number of Sub-Divisions - 1
3. Number of CD Blocks – 5

4. Number of Tahasils – 5
5. Number of NACs – 3
6. Number of Towns – 2
7. Number of Police Stations – 6
8. Number of Fire Stations – 4
9. Number of Assembly Constituencies – 2

## **6. General issues raised by industry association**

Rice Miller's Association, Khariar Road, Nuapada & stakeholders in the district have identified the following problems in the MSE sector in the district ;

- (i) Power Supply bottleneck
- (ii) Lack of Credit Facilities
- (iii) Lack of Proper & Desired extension support
- (iv) Absence of forward & backward linkages
- (v) Operational problems such as capacity utilization, technology upgradation.
- (vi) Infrastructure Problem.

## **7. Prospects of training programmes during 2017-18**

S.No.	Name of the programme	Subject	No of proposed programme to be conducted
1	ESDP	As Per Local Need	1
2	EDP	As Per Local Need	1
3	IMC	As Per Local Need	1

\* Subject to availability of sanction from O/o DC(MSME), New Delhi.

## **8. Action plan for MSME Schemes during 2017-18**

S. No.	Name of the Scheme	Proposed activity on the scheme
1.	MSE-CDP	01 Cluster would be identified
2.	ZED Awareness Programme	01 nos. of awareness programme will be organised.
3.	MATU	One export oriented units may be motivated.
4.	CLCSS	Handholding Support will be provided
5.	Capacity Building & strengthening of data base	-
6.	International cooperation	-
7.	TREAD for women	-
8.	VDP	-
9.	National awards	01 Units will be motivated
10.	NMCP schemes	10 no.s of units will be motivated under the scheme
I.	Lean Manufacturing	01 cluster would be identified

II. Design Clinic	01 seminar would be organized.
III. IPR	01 seminar would be organized.
IV. ICT-Digital MSME	05 Units will be motivated for the registration in digital MSME website
V. Technology and Quality Upgradation Support to MSMEs	01 seminar would be organized
VI. Business Incubator scheme	01 seminar would be organized

## 9. STEPS TO SET UP MSMEs:

Before going for setting up of any enterprise, the entrepreneur should move in a systematic way in order to get his desired level of output. At various levels, different agencies are functioning to provide different types of assistance to the entrepreneurs for setting up of MSMEs. So, following are the brief description of different agencies for rendering assistance to the entrepreneurs.

Sl. No.	Type of assistance	Name, address and website of agencies
1.	Provisional Registration Certificate – Udyog Aadhaar Memorandum(UAM)	<ul style="list-style-type: none"> <li>• Directorate of Industries, Govt. of Odisha, Kila Maidan , Cuttack, <a href="http://www.as.ori.nic.in/diorissa/">www.as.ori.nic.in/diorissa/</a></li> <li>• General Manager, DIC, Nayagarh.</li> <li>• MSME Development Institute, Cuttack</li> <li>• <a href="http://www.udyogaadhaar.gov.in/">www.udyogaadhaar.gov.in/</a></li> </ul>
